Dear Mr. Krieg,

During the repair of well casing and replacing the well cap for the above referenced property, our superintendent, Dan Ricker, observed that the above assigned well tag was not on the well casing. Field/office research could not locate the missing tag; therefore, we are requesting a replacement well tag for that site.

Thank you for you cooperation in this matter.

RE: Demolition Permit  
2579 Jennings Chapel Road  
Tax Map 13, Parcel 328

This is to advise that the Howard County Health Department recommends issuance of the demolition permit for the above referenced property.

You have advised that the existing hand-dug well will be properly filled and sealed by a licensed well driller abandoned prior to any actual demolition work on the house. Please arrange for the completed abandonment report to be submitted to this office in a timely manner.

You have also advised (and a site inspection has confirmed) there is no significant plumbing in the dwelling. Therefore, no septic system is believed to exist.
