MEMORANDUM

TO: Joanne Hock  
John Hock  
C/O Commercial Contractors, Inc  
1205 York Rd.  
Lutherville, Maryland 21093

FROM: Stuart F. Oster, R.S.  
Howard County Health Department  
Bureau of Environmental Health  
Well and Septic Program

RE: 2785 Marriottsville Road  
Marriottsville, Maryland 21104  
(Demolition of Existing House)

This is to advise that the Howard County Health Department recommends issuance of the demolition permit for the above referenced property.

The well and septic system which previously served the existing dwelling have been properly disconnected and abandoned/sealed. If any other wells or septic systems are found during any site work, please notify this office. Any future dwellings built on this property should use public water .

February 25, 2005

**We Propose** hereby to furnish material and labor - complete with specifications below, for the sum of: **Five Hundred Eighty-One Dollars**

Payment to be made as follows: (\$581.00) due upon completion.

All Material is guaranteed to be as specified. All work to be completed in a workmanlike manner according to standard practices. Any alteration or deviation from specifications below involving extra costs will be executed only upon written orders, and will become an extra charge over and above the estimate. All agreements contingent upon strikes, accidents or delays beyond our control. Owner to carry fire, tornado and other necessary insurance. Our workers are fully covered by Worker's Compensation Insurance.

  
 Gregory J. Smith

Note: This proposal may be withdrawn by us if not accepted within 30 days.

**We hereby submit specifications and estimates for:**

J. A. Smith and Co. Inc. will provide one backhoe with operator to dig open, pump and fill with dirt one 1000 gallon septic tank. Operator will excavate dirt from the area around the tank and use the dirt to fill the tank.

Cost of pumping.....	\$176.00
Backhoe and operator 4 hrs.....	\$280.00
Destination charge.....	\$125.00
<b>Total Cost.....</b>	<b>\$581.00</b>

**Septic tank and drywell clause:** No drywells or septic tanks other than mentioned above are known to existing based on information supplied by the property owner. If any drywells or septic tanks are found at the time work is in progress or in the future there will be additional cost for pumping, dirt/fill and labor for filling the tanks.

**Late Payment:** Twenty-five (25%) of the contract price or reasonable attorneys fees whichever is greater will be added to the contract price for delinquent payment of invoices. After thirty (30) days from completion of work the amount due is considered delinquent.
